### “ETHICAL INTELLIGENCE™: How Good People Make Great Things Happen”

THURSDAY, September 27 | GUEST SPEAKER

### BRUCE WEINSTEIN, Ph.D., The Ethics Guy

*Recommended for 1 CPE in Ethics*

*The biggest misunderstanding about ethics is that its purpose is to turn crooks and con artists into decent human beings. What ethics is really about is helping good people make the right decisions. Yes, you are already a good person. But it's also true that you can become a better one. This lively, interactive presentation shows how to strengthen your business and personal relationships, make better decisions at work and home, promote positive word of mouth about your work, and ultimately feel better about yourself—all by applying five simple principles you already know.*
